

## Certificate of Validation

This certifies that the home built by

**Frank McKinney/Dale Const.**

at 620 South Ocean, Manalapan, FL

satisfies the **ENERGY STAR<sup>®</sup> for Homes** criteria of the  
U.S Environmental Protection Agency.

ENERGY STAR labeled homes use at least 15-20% less total energy than standard new homes.

The U.S. EPA hereby recognizes Frank McKinney/Dale Const. for its contribution in reducing pollution through energy efficiency.

Signed:

Feb 03, 2009

Home Energy Rating Index: 66

A handwritten signature in black ink that reads "Brian Ng".
